

STEP 1: Click on games to enter and search for part of a code. (5 Digits)

STEP 2: Click through voice lines and listen for Pete to say **Pink 7** which is the first digit of the code.

Room 5

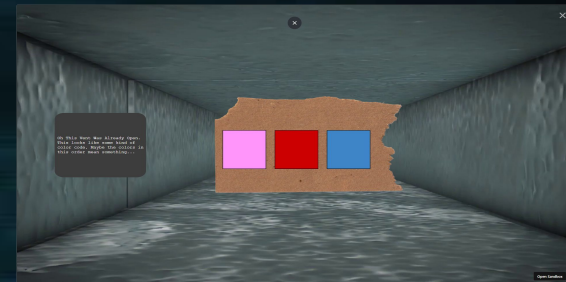

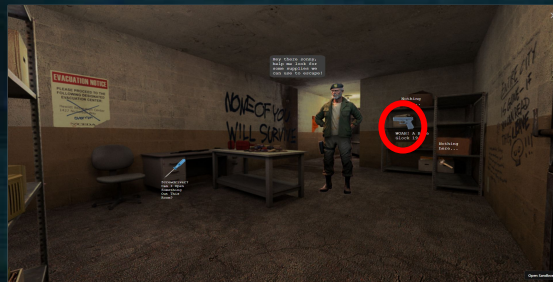

STEP 3: Click on the map to zoom into it and find a number.

STEP 4: At the bottom of the map there is a **Red 41** which is the next part of the code.

STEP 5: Search the boxes and look at the gun which is blue so the digits are **Blue 19**.

STEP 6: Click on the vent outside the room and order the number based on their color.

Room 5

STEP 7: Use the code and type it in to the 3d printer under the backyard baseball desk. This will allow you grab a key and escape!
